

Our Mission:

Newport Covenant Christian Preschool is an extension of the educational ministry of Newport Covenant Church.

We provide a safe, positive, Christ centered, learning environment where each child is nurtured academically, emotionally and spiritually while encouraging them to be confident, independent life long learners.

We focus on the spiritual, emotional, physical and intellectual needs of the growing child.

Our learning environment provides:

- A loving and nurturing staff
- A creative hands-on program
- Learning through play
- Age appropriate learning centers and activities
- Recognition of a wide variety of learning styles
- Bible based learning activities
- Large and small group socialization experiences

We understand that we are all created and loved by God and we recognize the great value of each child and family.

**I am loved.
I am kind.
I am confident.**
